Chào mừng,

Our recreation team would like to welcome you to Laguna Lăng Cô. We have a wide selection of activities designed for guests of all ages.

When guests take part in our daily activities, your safety is our priority. Our recreation team will brief you thoroughly each time you take part in any of our activities, ensuring that you enjoy our programmes in a fun and safe manner.

Due to the hot weather conditions in Lang Co, it is always advisable to wear proper attire when taking part in any activity, comfortable t-shirts, sunscreen, hats and drinking water are always advisable.

During the monsoon season, sea conditions do change. The monsoon season usually starts in September through to January but may vary each year. We hope to have your understanding that some activities may not be available due to strong seas and adverse weather conditions.

We have warning signboards near the beach area indicating the day's warning code. This has been designed for your safety and is monitored on a daily basis by our staff. We also recommend you to check the flag colour for the day's warning code.

Your feedback is important to us. It will help us to improve our recreational facilities and services. You may share your thoughts by filling out a Guest Feedback Form available at our reception desk or in your guest room.

We hope you enjoy the rest of your stay and look forward to seeing you out there!

**HIGH HAZARD**

Rough surf and/or strong currents exist; swimmers are strongly discouraged from entering the water

**MEDIUM HAZARD**

Moderate currents and/or surf are present; use extra care

**LOW HAZARD**

Conditions are calm; normal care and caution should be exercised

**DANGEROUS MARINE LIFE**

Jellyfish are present, take care while swimming and seek urgent assistance if stung

Water Safety

FOR YOUR SAFETY

Only competent swimmers are allowed to participate in sea sports activities. Wearing life jacket is mandatory when participating in any sea sports activity. Participating in all activities is at the sole risk of the participant. Please take note of our RED SEA FLAG conditions.

WARNING

Sandflies

Please be advised that you may encounter sandflies on the beach. A sandfly bite can be just as irritating as a mosquito bite. We would strongly recommend that as a precaution you apply insect repellent before going to the beach.

Jellyfish

The currents occasionally bring jellyfish into the bay, therefore please be careful and do not touch any jellyfish you may encounter either in the water or on the beach, as they can give you a nasty sting. In case of any contact with jellyfish, please notify one of the marine staff or pool attendants for assistance.
